

VINSAFE PATENT PORTFOLIO Gen 1 & 2

In addition to the numerous granted global patents below for Intelligent Packaging's technology, there is also a large number of 'Pending Patents' to protect these unique, innovative and cutting edge technologies.

Schedule A – Vinsafe - Generation 1

	Title	Patent Number	Country
1.	Wine packaged in cans.	2007214288	Australia
2.	Process for packaging wine in aluminium cans.	2002304976	Australia
3.	Process for packaging wine in aluminium cans.	CA 2460716	Canada
4.	Process for packaging wine in aluminium cans	1429968*	Europe
5.	Process for packaging wine in aluminium cans.	HK1069366	Hong Kong
6.	Process for packaging wine in aluminium cans.	218207	India
7.	Process for packaging wine in aluminium cans.	160956	Israel
8.	Process for packaging wine in aluminium cans.	10-857679	Korea
9.	Process for packaging wine in aluminium cans.	270061	Mexico
10.	Process for packaging wine in aluminium cans.	524585	New Zealand
11.	Process for packaging wine in aluminium cans.	RU 2288144	Russia
12.	Process for packaging wine in aluminium cans.	103589	Singapore
13.	Process for packaging wine in aluminium cans.	2003/03128	South Africa

* under appeal

Schedule B – Microfiltration - Vinsafe – Generation 2

	Title	Patent Number	Country
1.	Packaging wine in aluminium containers	2012372142	Australia
2.	Packaging wine in aluminium containers	ZL201280069277.9	China
3.	Packaging wine in aluminium containers	HK.1186752	Hong Kong
4.	Packaging wine in aluminium containers	5766367	Japan
5.	Packaging wine in aluminium containers	627587	New Zealand

Schedule C – CO2 - Vinsafe – Generation 2

	Title	Patent Number	Country
1.	Wine packaged in aluminium containers	2012372141	Australia
2.	Wine packaged in aluminium containers	2859699	Canada
3.	Wine packaged in aluminium containers	ZL201280070244.6	China
4.	Wine packaged in aluminium containers	EP2607471	Denmark
5.	Wine packaged in aluminium containers	EP2607471	Europe
6.	Wine packaged in aluminium containers	EP2607471	France
7.	Wine packaged in aluminium containers	EU12161345.9	Germany
8.	Wine packaged in aluminium containers	1186751A	Hong Kong
9.	Wine packaged in aluminium containers	EP2607471	Hungary
10.	Wine packaged in aluminium containers	EP2607471	Ireland
11.	Wine packaged in aluminium containers	EP2607471	Italy
12.	Wine packaged in aluminium containers	5922253	Japan (process)
13.	Wine packaged in aluminium containers	6997230	Japan (product 3)
14.	Wine packaged in aluminium containers	10-2027519	Korea

	Title	Patent Number	Country
15.	Wine packaged in aluminium containers	EP2607471	Netherlands
16.	Wine packaged in aluminium containers	627588	New Zealand
17.	Wine packaged in aluminium containers	11201403508V	Singapore
18.	Wine packaged in aluminium containers	2014/05394	South Africa
19.	Wine packaged in aluminium containers	EP2607471	Spain
20.	Wine packaged in aluminium containers	EP2607471	Switzerland
21.	Wine packaged in aluminium containers	EP2607471	United Kingdom
22.	Wine packaged in aluminium containers	EP2767583	Europe
23.	Wine packaged in aluminium containers	EP2767583	Germany
24.	Wine packaged in aluminium containers	EP2767583	Spain
25.	Wine packaged in aluminium containers	EP2767583	France
26.	Wine packaged in aluminium containers	EP2767583	United Kingdom
27.	Wine packaged in aluminium containers	EP2767583	Italy
28.	Wine packaged in aluminium containers	EP2767583	Netherlands

Schedule D – RESVIN

	Title	Patent Number	Country
1.	Pressure closure for bottles screwcap		International
2.	Pressure closure for bottles screwcap	2015100380 (Innovation)	Australia
3.	Pressure closure for bottles screwcap	201390000768.8	China
4.	Pressure closure for bottles screwcap	201313000188	Germany
5.	Pressure closure for bottles screwcap	0000283358	Italy
6.	Pressure closure for bottles screwcap	3201638	Japan

Schedule E – BEVSAFE

	Title	Patent Number	Country
1.	Method of extending the shelf life of RTD alcoholic beverages	2008232298	Australia
2.	Method of extending the shelf life of RTD alcoholic beverages	2679424	Canada
3.	Method of extending the shelf life of RTD alcoholic beverages	200880009452.9	China
8.	Method of extending the shelf life of RTD alcoholic beverages	EP 2 126 035	Great Britian
9.	Method of extending the shelf life of RTD alcoholic beverages	EP 2 126 035	Netherlands
